Since 1955

## *Showcase of Stars*

---

Through the Showcase of Stars, Beaver County Cancer & Heart Association is hoping to raise awareness about our programs while raising funds for the association. These funds will be used to serve the people of Beaver County. Lincoln Park Performing Arts Center is honored to be hosting this event for a worthwhile organization.

## *What is Showcase of Stars?*

---

At some point in our lives, we all know or have known someone who has or had cancer or heart disease. It may have been your mother, your father, your child, your brother/sister, one of your grandparents or it may just have been a friend. Beaver County Cancer & Heart Association has touched the lives of many people within Beaver County. In order for us to continue and enhance our programs so that we may be able to reach more people within our county, Beaver County Cancer & Heart Association is presenting this event at Lincoln Park Performing Arts Center.

There are three components to *Showcase of Stars*: Beaver County Galaxy of Stars, the Third Annual Beaver County Showcase of Vocal Talent, and a performance by the Duquesne University Tamburitzans.

## New for 2008!!!

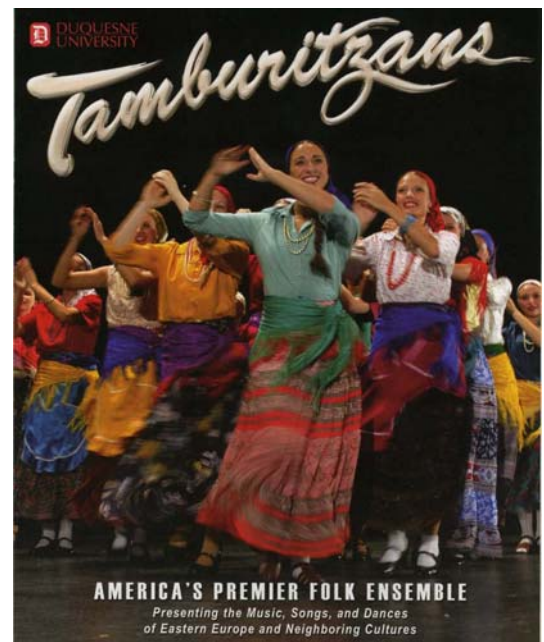

### ***Beaver County Galaxy of Stars***

The Beaver County Galaxy of Stars is a celebration. A celebration to recognize our supporters and an opportunity for you to recognize your loved ones or friends who are currently in treatment for cancer or heart disease and recognize your loved ones or friends who are survivors of cancer or heart disease. It is also an opportunity to honor the memory of loved ones you may have lost.

To participate in this galaxy, an individual may order a star for a donation of \$20.00. The stars will be personalized with the donor's name and the name of the person you are honoring. In recognition of your gift, a vinyl star will be placed in the galaxy, (the star will be displayed on one of the windows at Lincoln Park Performing Arts Center).
