## Telling Our Story

Dr. H. W.  
Bernhardt

Our commitment to the residents of Beaver County began with two fine gentlemen, Dr. H. W. Bernhardt and Dr. D. W. Gressly. In 1955, Dr. Bernhardt led the Beaver County Cancer Society, and Dr. Gressly led the Beaver County Heart Association. After breaking the ties to the national organizations, the two groups operated independently. It was in 1988 that the two separate entities merged to become the Beaver County Cancer & Heart Association. Dr. Bernhardt and Dr. Gressly were driven with a sense of mission which is still our guiding force; to serve the people of Beaver County. Dr. Bernhardt and Dr. Gressly started many traditions and established many principles which we still continue today. One tradition and guiding principle that the Board of Directors will never stray from is that all of the money raised by the Association will stay in Beaver County to serve the people of Beaver County.

Dr. D. W.  
Gressly

## Our Mission Statement

Beaver County Cancer & Heart Association is committed to assisting Beaver County residents in the prevention of cancer and/or cardiovascular diseases and to caring for those afflicted with cancer and/or cardiovascular diseases, by sponsoring or providing support services and education programs in Beaver County.

## Our Logo

The outline of the physical shape of Beaver County is the basis of the logo of Beaver County Cancer & Heart Association. The heart represents our heart disease awareness programs. Surrounding the heart is a white ribbon which signifies our cancer programs. We chose a white ribbon to represent purity with the hopes that in time there will be a cure for cancer. Putting these three components together it symbolizes our dedication to the residents of Beaver County since 1955.

## ***Our Cancer Programs***

Our cancer programs include:

- \* Educational materials to the public
- \* Breast Cancer Support Group meets on the first Monday of the month from October through June at the UPMC/Heritage Valley Cancer Center.
- \* Breast cancer prevention and education presentations and materials
- \* Skin cancer prevention and education presentations and materials
- \* Colors of Cancer Awareness and Colors of Cancer Awareness Bracelet
- \* The Ostomy Support Group of Beaver County and Newsletter

Volunteers assembled Dignity Robes at Amy Baughman Sewing Center, New Brighton

## ***Women's Services***

### ***Bras/Breast Forms***

*Through an arrangement with Nearly Me, Beaver County Cancer & Heart Association sells bras/breast forms. Bras sell for \$20 each and breast forms are \$50 each. Bras are available in both white and beige. We are proud of this arrangement with Nearly Me, which makes it possible for women to purchase these items right here in Beaver County.*

### ***Dignity Robes***

*In partnership with Amy Baughman Sewing Center in New Brighton, we have made dignity robes. Our dignity robes give women the dignity and grace they deserve while undergoing radiation treatments. With the dignity robe, only the area to be treated needs to be exposed. Dignity robes are made with cotton fabric, secured with velcro and are available in an assortment of prints. If you are undergoing treatment and are interested in receiving a dignity robe, please call the office at 724-774-6600*

## ***Our Heart Programs*** ***SCHOOL CHOLESTEROL SCREENING***

For over 39 years, Beaver County Cancer & Heart Association has been screening the cholesterol levels of 7th grade students. The program has since expanded to include fasting glucose screenings, distribution of nutritional information, a free tee shirt to each participant and a \$50 Beaver Valley Mall gift certificate to one boy and one girl from each school. Prior to the screenings, students participate in a presentation in which they learn what cholesterol is, where it comes from, the importance of knowing your cholesterol numbers and what those numbers mean. Also included in this presentation is a Fast Food Game in which the students are able to see how much fat is in some of their favorite fast foods.

Pictured from left: Cindy Chantz, School Nurse at Beaver Middle School; Jackie Shotton and Jordan Didio. Jackie and Jordan participated in our school cholesterol screening and won the Beaver Valley Mall gift certificates. During the 2008-2009 school year, 39% of the students we screened were identified as having high cholesterol.

## ***CHOLESTEROL, FASTING GLUCOSE AND BLOOD PRESSURE SCREENINGS***

*Come to one of our screenings and find out your cholesterol levels, your fasting blood glucose levels, and have your blood pressure checked.*

# ANGELS R' US

a fund of the Beaver County Cancer & Heart Association

assisting Beaver County families who have a child that has been diagnosed with cancer or a life threatening heart condition. We help with gasoline expenses and through the Roxsan's Dream Fund, many of these children's dreams are granted.

Currently, there are over 40 children in Beaver County with cancer and there are over 200 children with serious heart disease.

The Angels R' Us Fund is for Beaver County families with children, 18 years old and younger, who have been diagnosed with cancer and/or a life threatening heart condition. Our goal is to help with the financial burden directly related to the illness.

In 2008, Beaver County Cancer & Heart Association received a generous gift from the the C.J. Betters Center Holiday Classic Foundation. With this gift, the Board of Directors of Beaver County Cancer & Heart Association, expanded the Angels R' Us Fund and created the Roxsan's Dream Fund. Through the Roxsan's Dream Fund, we were able to grant these five dreams on February 15, 2009.

## Pictures from the 1st Annual Roxsan Dream Fund Luncheon

Michael, pictured with C.J. Betters wished for a motorized bike.

Megan Searight asked for assistance with textbooks for nursing school. Megan is pictured with C.J. Betters and Dr. William Ferri, chair of the program committee.

Jacqueline Kyle, mother to Elizabeth Kyle wished for assistance with food for a picnic to celebrate the end of her daughter's chemotherapy treatment. Jacqueline is pictured with C.J. Betters, Dr. William Ferri and Tracy Horvath, founder of Angel's R' Us.

Eliasha Lowe, pictured with C.J. Betters and Dr. William Ferri wished for new clothes and shoes.

Blake Brickner, (standing beside the basket) and his family wished for new clothes, shoes and toys.

## Our Pharmaceutical Assistance Program

### About the Pharmaceutical Assistance Program:

Since 1988, we have helped thousands of Beaver County residents. The Pharmaceutical Assistance Program is designed to assist Beaver County residents who are without prescription coverage. We help them acquire their prescription medication by facilitating the paperwork between the patient, the prescribing physician and the pharmaceutical company who manufactures that particular medication. We work with over 100 pharmaceutical firms and abide by their eligibility guidelines. We are proud to say that there is no fee for this service.

### Our statistics:

- \* We are currently serving 632 people.
- \* For these people, we are able to help them acquire a total of 2,291 medications on a monthly basis.
- \* In dollar figures, we are helping these same total number of patients acquire \$329,547 worth of medications in one month's time. On a yearly basis that is over \$3.95 million dollars worth of medication.

For more information, please call Jennifer Smith, Pharmaceutical Assistance Coordinator, at 724-774-6600.

## Our Nutritional Supplement Program

### Ensure and Ensure Plus

Beaver County Cancer & Heart Association offers Ensure and Ensure Plus nutritional supplement. We are able to offer this supplement at a very affordable price. The flavors we keep in stock include: vanilla, chocolate, strawberry and butter pecan. For more information, please call Beaver County Cancer & Heart Association at 724-774-6600.

## Message of "Thanks" from Board President and Executive Director

Jack Simon  
President, Board of Directors

Beaver County Cancer & Heart Association has been assisting local residents for 54 years. Each and every year, we touch the lives of many people. In 2005, when the association celebrated 50 years of services to the community, the Board of Directors paid tribute to our founders, Dr. H. W. Bernhardt and Dr. D. W. Gressly and started the Beaver County Cancer & Heart Association's Giving Societies. By becoming a member of a Giving Society, these people have allowed us to continue our mission and dedication to the people of Beaver County.

We all know someone who has been touched by cancer or heart disease at some point. Many have passed on, yet more and more survive. Did you ever find yourself wanting to help but you just did not know how? We invite you to become a member of a Giving Society and help us as we continue our mission.

Jacqueline Finney  
Executive Director
